## Nursery Newsletter November 2017

### Time to Rhyme

This term in Nursery, we will be continuing our learning of traditional Nursery Rhymes and all learning will be based around these. The Nursery Rhymes that we will be learning will include; Miss Polly had a Dolly, Jack and Jill, Hickory Dickory Dock, Twinkle Twinkle Little Star and Incy Wincy Spider. Nursery Rhymes play an important role in early childhood by helping children master key skills such as communication and language and social, emotional and physical skills.
